

Tab Indentation

Article Number: 1246 | Last Updated: Thu, Oct 20, 2011 3:33 PM

UltraEdit provides multi-line indentation and out-denting with the tab key. If multiple lines are selected, the Tab Key will indent these lines with the equivalent of one tab stop. If the Shift Key is pressed at the same time as the Tab Key the lines will be out-dented by one tab stop.
