

## Technical Support

Article Number: 5312 | Last Updated: Tue, Oct 2, 2012 3:49 PM

□ You can obtain free support for UltraSentry if you've registered and paid for a license.

### Free Email Support

For free technical support from IDM Computer Solutions, Inc., please email any questions/suggestions to [support@ultraedit.com](mailto:support@ultraedit.com).

### Free User-to-User Support Forum

Users may exchange tips and observations in the UltraSentry User's Forum on our site. This is not intended as a replacement for technical support, but many times users can help each other and this can be useful in creating a community of users.
